

FUND OVERVIEW

The objective of the **Aventine Canadian Equity ("ACE") Fund** is to provide long term capital growth through the management of a concentrated portfolio of predominantly Canadian equities. The Fund targets an annualized return on investment in excess of 10%, net of all fees, over the market cycle.

The Fund follows an **Active Value** approach, utilizing the expertise of its managers to identify undervalued companies that are experiencing positive fundamental change. The Fund may invest up to 10% of its capital in foreign securities, hold short positions and use options for downside protection.
